STUDENT ACTIVITY TRANSCRIPT (SAT)

1. GENERAL DESCRIPTION

Student Activity Transcript (SAT) is BINUS University's official document that records student's participation in co/extra-curricular activities during their studies at BINUS University.

2. BACKGROUND

BINUS University endeavors to fully enhance student's competence, skills and values through co-and-extra-curricular activities that aim at achieving BINUS University Graduate's Attributes which consist of Global Employability and Entrepreneurial Skills (Global EES) which integrate Global Standards Technical Competences, the six key soft skills (Self Management, Teamwork, Communication, Problem Solving and Decision Making, Planning and Organizing, Initiative and Enterprise), International Language Proficiency, ICT Skills and Numerical Literacy, International Experience, Innovation Capability, and Global Mindset, as well as BINUS Values and Cultures (Strive for Excellence, Perseverance, Integrity, Respect, Innovation, and Teamwork).

Student Activity Transcript (SAT) is a way to describe a graduate's achievement in developing the graduate's attributes.

3. GOALS

The goals of Student Activity Transcript (SAT) are:

- To motivate students to participate more actively in various co/extracurricular activities
- To develop student's technical skills and soft skills
- To broaden student's mindset, knowledge and experience
- To expose students into a real workplace
- To formally record student's experiences in doing co/extracurricular activities
- To provide a more complete data of the student to the external institutions, particularly to the companies with which they aspire to work.

4. GRADING SYSTEM

Student Activity Transcript (SAT) grades student's participation in three main aspects:

- The student's role in the activities, for example, as a speaker, organizer, activist, or participant;
- The scope or level of the activities, for example, international, national, Jabodetabek (the Greater Jakarta area), provincial, municipal, or university-wide level;
- The duration of the activities, for example, year, semester, month, week, day, or hour.
